Pairing
Jumelage

A

B

Required / Requis

1. Start this process with the headset powered OFF. Press and hold the Pairing Button on the Transmitter until the Transmitter's LED is double-blinking, follow the steps below to pair your Headset and Transmitter.

Le casque Stealth 500X et son transmetteur devraient avoir été jumelés lorsque vous achetez le produit. Si c'est bien le cas, l'indicateur du transmetteur doit être allumé (mais ne pas clignoter) lorsque le casque et le transmetteur sont allumés. Si l'indicateur de votre transmetteur clignote, suivez les étapes ci-dessous pour le jumeler à votre casque:

2. Press and hold the Power Button on the Headset until the Headset's Power LED flashes rapidly (5 seconds), then release.
Maintenez le bouton d'alimentation du casque enfoncé pendant 5 secondes, jusqu'à ce que l'indicateur d'alimentation du casque se mette à clignoter rapidement, puis relâchez.

3. Within 30 seconds, the Transmitter's LED will remain on solid, and the Headset's Power LED will blink steadily once per second, indicating that pairing has been successful.
Dans les 30 secondes qui suivent, l'indicateur du transmetteur doit rester allumé, tandis que l'indicateur d'alimentation du casque doit clignoter régulièrement, à raison d'une fois par seconde, ce qui signifie que le jumelage a bien été effectué.

Charging
Chargement

A

E

Required / Requis

Headset Storage
Always charge your headset before storing it for any extended period of time (greater than 3 months). Never store the unit in temperatures above 113°F/45°C. The Stealth 500X uses a rechargeable battery. Make sure to charge it regularly.

Rangement du casque
Chargez toujours votre casque avant de le ranger pour une longue durée (plus de 3 mois). Ne stockez jamais le casque à des températures supérieures à 45°C. Le Stealth 500X dispose d'une batterie rechargeable. Assurez-vous de la charger régulièrement.

Compliance
Conformité

Regulatory Compliance Statements for the EAR FORCE STEALTH 500X RX & TX Model
Federal Communications Commission (FCC) Compliance Notices
(This section includes the following FCC statements for the EAR FORCE Stealth 500X RX & TX Models:
FCC ID: Headset = XGB-TB2270, Transmitter = XGB-TB2271)
• Class B Interference Statement
• RF Radiation Exposure & Hazard Warning
• Non-Modification Statement
• Deployment Statement

Class B Interference Statement
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
• Reorient or relocate the receiving antenna.
• Increase the separation between the equipment and receiver.
• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
• Consult the dealer or an experienced radio/TV technician for help.

FCC Caution:
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

RF Radiation Exposure & Hazard Statement
To ensure compliance with FCC RF exposure requirements, this device must be installed in a location such that the antenna of the device will be greater than 2 cm (0.8 in.) away from all persons. Using higher gain antennas and types of antennas not covered under the IC certification of this product is not allowed. Installers of the radio and end users of the product must adhere to the installation instructions provided in this manual. This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.

Exposition aux radiations RF & Mention de danger
Pour assurer la conformité avec les exigences RSS-102 d'exposition aux RF (Radio Fréquences), cet appareil doit être installé dans un endroit où l'antenne de l'appareil sera située à une distance de plus de 2 cm (0,8 po) de toutes personnes. L'utilisation d'antennes à gain plus élevé et les types d'antennes qui ne sont pas couverts en vertu de la certification IC de ce produit n'est pas autorisée. Les installateurs de la radio et les utilisateurs du produit final doivent se conformer aux instructions d'installation fournies dans ce manuel. Cet émetteur ne doit pas être co-implanté ou exploité en conjonction avec toute autre antenne ou transmetteur.

European Union and European Fair Trade Association Regulatory Compliance
This equipment may be operated in the countries that comprise the member countries of the European Union and the European Fair Trade Association.

Declaration of Conformity
Marking by this symbol indicates compliance with the Essential Requirements of the R&TTE Directive of the European Union [1999/5/EC]. This equipment meets the following conformance standards:
Safety EN 60950-1:2006 + A11:2009 + A1:2010 + A12:2011 [T-Mark License], IEC 60950-1:2005 [2nd Edition] + Am 1:2009 [CB Scheme Report/Certificate], EN 50332-1:2000, EN50332-2:2003
EMC EN 55022:2010, EN 301 489-1 v1.3.2 [2011-09], EN 301 489-17 v2.2.1 [2012-09], EN 61000-4-2:2008-05, EN 61000-4-3:2010-04, EN 61000-4-4:2011-03, EN 61000-4-6:2005, EN 61000-4-8 [2008-10]
Radio EN 301 893 v1.6.1 [2011-11]
SAR EN 22311:2008
Environmental • Low Voltage Directive 2006/95/EC, RoHS 2011/65/EU, WEEE 2002/96/EC, REACH 2006/1907/EC, Packaging 94/62/EC, Battery 2006/66/EC

Warning! This is a Class B product. In a domestic environment, this product may cause radio interference, in which case, the user may be required to take appropriate measures.

Achtung! Dieses ist ein Gerät der Funkstörgründwertklasse B. In Wohnbereichen können bei Betrieb dieses Gerätes Rundfunkstörungen auftreten, in welchen Fällen der Benutzer für entsprechende Gegenmaßnahmen verantwortlich ist.

Attention! Ceci est un produit de Classe B. Dans un environnement domestique, ce produit risque de créer des interférences radioélectriques, il appartient alors à l'utilisateur de prendre les mesures spécifiques appropriées.
