Trade Name : JVC
Responsible party : JVCKENWOOD USA Corporation
Address: 1440 Corporate Drive, Irving, TX 75038
Telephone Number: 678-449-8879
This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) This device must accept any interference received, including interference that may cause undesired operation.

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
– Reorient or relocate the receiving antenna.
– Increase the separation between the equipment and receiver.
– Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
– Consult the dealer or an experienced radio/TV technician for help.
This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.

WARNING For U.S.A (HA-A6T only)

English	Français	Español
Hearing Comfort and Well-Being • Do not play your personal audio at a high volume. Hearing experts advise against continuous extended play. • If you experience a ringing in your ears, reduce volume or discontinue use. Traffic Safety • Do not use while operating a motorized vehicle. It may create a traffic hazard and is illegal in many areas. • You should use extreme caution or temporarily discontinue use in potentially hazardous situations. • Do not turn up the volume so high that you cannot hear sound around you.	Confort d'écoute et bien-être • N'utilisez pas votre appareil audio personnel à un volume trop élevé. Les professionnels de l'audition déconseillent une écoute prolongée. • Si vous entendez des sonorités dans vos oreilles, réduisez le volume ou arrête d'utiliser l'appareil. Sécurité relative à la circulation • N'utilisez jamais un casque en conduisant une voiture, une bicyclette. Cela peut être dangereux et est illégal dans beaucoup de régions. • Vous devez faire très attention ou arrêter temporairement d'utiliser l'appareil dans les situations dangereuses. • Ne réglez pas le niveau sonore maximum de telle sorte que vous ne pourriez plus entendre ce qui se passe autour de vous.	Confort y salud de su audición • No reproduzca sonidos con el volumen alto. Los expertos en audición desaconsejan la reproducción continua por períodos prolongados. • Si escucha un zumbido en sus oídos, reduzca el volumen o deje de utilizarlos. Seguridad en el tráfico • No los utilice cuando conduzca un vehículo a motor. Podría provocar un accidente de tránsito y es ilegal en muchos lugares. • En situaciones potencialmente peligrosas debe tener suma precaución o dejar de utilizarlos. • Asegúrese de que los indicadores se enciendan.
