Introduction to parts

1. USB-A port
2. Heating zone
3. Power button
4. Power indicator
5. Charging port

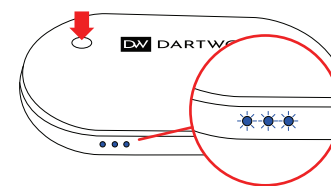

How to use the hand warmer

1. Connect the hand warmer to a power source using the charging cable.
2. Fully charge the battery before first use. 3 solid blue lights indicates the battery is fully charged.

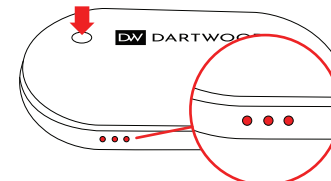

Page 2

3. Press once to check the battery level

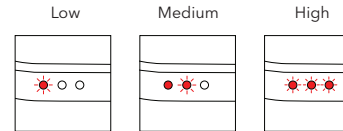

4. Press and hold 3 seconds to turn on the heat. The lights will turn solid red.

Page 3

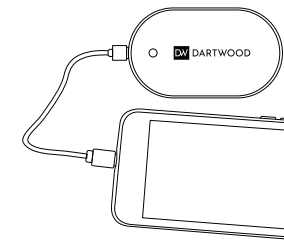

5. Adjust the heat level by continuous pressing. Always start from the lowest level to prevent burns.

6. Turn off the heat by holding the button for 3 seconds until the indicator lights turn blue.

Using as a power bank

1. Press once to turn the power on and check the battery level.
2. Connect the charging cable from the USB-A port to your device.
