Google Consumer Hardware Limited Warranty — USA/Canada

This Limited Warranty applies only if you are a consumer and purchased your Google product ("Google Product") in the United States or Canada.

What does this warranty cover and how long does it last? Google warrants that a new Google Product (including any ancillary parts that may be packaged with it) will be free from defects in materials and workmanship under normal use in accordance with Google's published user documentation for one year from the date of original retail purchase in its original packaging by you. If a Google Product has been refurbished, Google warrants that the Google Product (including any ancillary parts that may be packaged with it) will be free from defects in materials and workmanship under normal use in accordance with Google's published user documentation for ninety days from the original date of retail purchase by you (these warranties are collectively referred to as our "Limited Warranty").

What will Google do? (THIS IS YOUR EXCLUSIVE REMEDY) If a defect covered by this Limited Warranty arises and you return your Google Product during the Limited Warranty period (which is one year for new Google Products and ninety days for refurbished Google products), Google will in its sole discretion and to the extent permitted by law repair your Google Product using new or refurbished parts, replace your Google Product with a new or refurbished Google Product functionally at least equivalent to yours, or accept the return of your Google Product in exchange for a refund of the purchase price you paid for your Google Product. If Google repairs or replaces your Google Product, the repaired or replaced Google Product will continue to be warranted for the remaining time of the original warranty period. All returned parts for which you have received a replacement will become the property of Google. Repair or replacement may result in loss of data. Nothing in this Limited Warranty will reduce or otherwise affect your statutory rights in relation to your Google Product.

THE LIMITED WARRANTY WRITTEN ABOVE IS THE ONLY EXPRESS WARRANTY GOOGLE PROVIDES FOR YOUR GOOGLE PRODUCT, AND THE ABOVE REMEDY IS YOUR SOLE REMEDY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, GOOGLE EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES AND CONDITIONS OF SALE, WHETHER STATUTORY OR IMPLIED, ARISING FROM COURSE OF DEALING OR OTHERWISE, REGARDING YOUR GOOGLE PRODUCT, EXCEPT THAT ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT ARE LIMITED IN DURATION TO THE PERIOD OF THE LIMITED WARRANTY ABOVE (EITHER ONE YEAR OR NINETY DAYS, DEPENDING ON WHETHER YOUR GOOGLE PRODUCT IS NEW OR REFURBISHED).

Some states, provinces or territories do not allow limitations on how long a warranty lasts, so the above limitation may not apply to you.

What does this warranty not cover? This Limited Warranty is only valid in locations where the Google Product is sold and will apply only if you purchased the Google Product from Google or its authorized resellers. This Limited Warranty applies to hardware components (and not any software elements) of Google Products, and this Limited Warranty does not apply to damage caused by: (1) normal wear and tear; (2) accidents; (3) misuse (including failure to follow product documentation); (4) neglect; (5) disassembly; (6) alterations; (7) servicing other than by Google technicians; and (8) external causes such as, but not limited to: water damage, exposure to sharp objects, exposure to excessive force, anomalies in the electrical supply to the Google product, and extreme thermal or environmental conditions. This Limited Warranty does not guarantee that use of the Google Product will be uninterrupted or error-free.

YOU EXPRESSLY UNDERSTAND AND AGREE THAT, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, GOOGLE AND ITS SUBSIDIARIES AND AFFILIATES (COLLECTIVELY, "GOOGLE PARTIES") SHALL NOT BE LIABLE TO YOU UNDER ANY THEORY OF LIABILITY (WHETHER CONTRACT, TORT (INCLUDING NEGLIGENCE), BREACH OF WARRANTY OR OTHERWISE) FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES THAT YOU INCURRED BY YOU IN CONNECTION WITH YOUR GOOGLE PRODUCT OR TORTS INCLUDING ANY LOSS OF DATA, WHETHER OR NOT A GOOGLE PARTY OR ITS REPRESENTATIVES HAVE BEEN ADVISED OF OR SHOULD HAVE BEEN ADVISED OF THE POSSIBILITY OF ANY SUCH LOSSES ARISING. YOU EXPRESSLY UNDERSTAND AND AGREE THAT, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, GOOGLE PARTIES' TOTAL LIABILITY IN CONNECTION WITH YOUR GOOGLE PRODUCT OR THIS LIMITED WARRANTY WILL NOT EXCEED THE AMOUNT YOU ACTUALLY PAID TO GOOGLE FOR YOUR GOOGLE PRODUCT.

Some states, provinces or territories do not allow the exclusion or limitation of consequential damages, so the above limitation or exclusion may not apply to you.

How do you make a claim? To make a claim under the Limited Warranty, please contact Google Product Support at g.co/nest/contact. You must provide your name, contact information, and the serial number of your Google Product to receive support. You may also be required to provide a purchase receipt.

Other limitations: No vendor, seller, authorized reseller, employee, or representative of Google or its affiliates or any third party is authorized to make any modification, extension, or addition to this Limited Warranty. If any term of this Limited Warranty is held to be illegal or unenforceable, the remaining terms of this Limited Warranty will remain in full force and effect.

How state, province, territory, and other laws apply to you: This warranty gives you specific legal rights, and you may also have other rights that vary from jurisdiction to jurisdiction.

This Limited Warranty is given by Google LLC, organized in the state of Delaware, whose principal place of business is at 1600 Amphitheatre Parkway, Mountain View, CA, 94043, United States.

Notice of Arbitration

In accordance with the Google Arbitration Agreement - Devices, Related Accessories, and Related Subscription Services ("Arbitration Terms") set forth at g.co/devicearbitration, you acknowledge and agree that disputes relating to your Google device, related accessories, and related subscription services for your Google device ("Google Device") will be resolved through BINDING ARBITRATION on an individual, non-class basis, unless you have opted out or another exception applies as described in the Arbitration Terms. For disputes subject to arbitration, you agree to first send a written notice of the dispute by certified U.S. Mail or by Federal Express (or international equivalent) to Google's address for notice: Google LLC, Legal Department – Hardware Arbitration, c/o Corporation Service Company, 2710 Gateway Oaks Drive, Suite 150N, Sacramento, CA 95833. The notice has to include, if available: (a) the name of the person making the claim, (b) the type of Google Device, as applicable, (c) the serial number of the Google Device, (d) the email address used to register the Google Device, as applicable, (e) a description of the nature and basis of the claim, (f) the result that is desired (e.g., an amount of money), and (g) the case number(s) assigned by Google to track previous attempts to resolve the dispute, if there is one. We each agree to try to resolve the claim, but if we can't do that within 60 days after the notice is received, you or Google may initiate an arbitration proceeding by following the American Arbitration Association ("AAA") Rules. Unless the parties agree otherwise, your demand for arbitration must be sent to Google's address for notice and entitled "Demand for Arbitration." Google will send demands for arbitration to you at the email address provided in the notice of the dispute.

Microphones are built into Nest Audio so you can use your voice to ask the Google Assistant for help, make calls, and more. Audio is only sent to Google when Nest Audio detects you're interacting with the Assistant, such as when you say, "Hey Google," or when you're using a feature that relies on audio (for example, sound detection or audio calling). Whenever Nest Audio sends your audio to Google, you'll see lights pulsing on the front of the device. You can review and delete your query data at any time at myactivity.google.com.

How to turn off the microphones

To physically turn off the microphones, slide the mic switch on the back of Nest Audio. This switch, which can't be accessed remotely, makes the microphones completely inoperable. When the mics are turned off, you'll see four orange lights on the front of your Nest Audio. To turn the microphones back on, you'll need to slide the switch back.
