Parent's Guide

Track Set

VTech understands that a child's needs and abilities change as they grow and with that in mind we develop our toys to teach and entertain at just the right level...

vtech Baby

Toys that will stimulate their interest in different textures, sounds and colours

I am...

...responding to colours, sounds and textures

...understanding cause and effect

...learning to touch, reach, grasp, sit-up, crawl and toddle

Birth-36 months

Pre-School

Interactive toys to develop their imagination and encourage language development

I want...

...to get ready for school by starting to learn the alphabet and counting

...my learning to be as fun, easy and exciting as can be

...to show my creativity with drawing and music so my whole brain develops

3-6 years

Electronic Learning Computers

Cool, aspirational and inspiring computers for curriculum related learning

I need...

...challenging activities that can keep pace with my growing mind

...intelligent technology that adapts to my level of learning

...National Curriculum based content to support what I'm learning at school

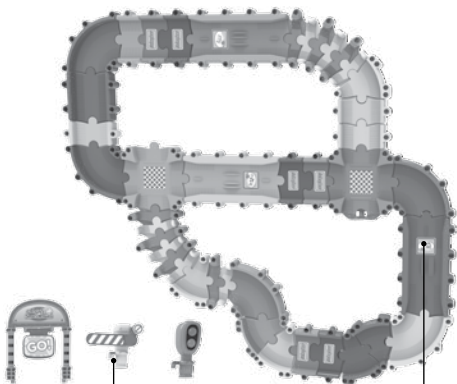

4-10 years

One Parent's Guide

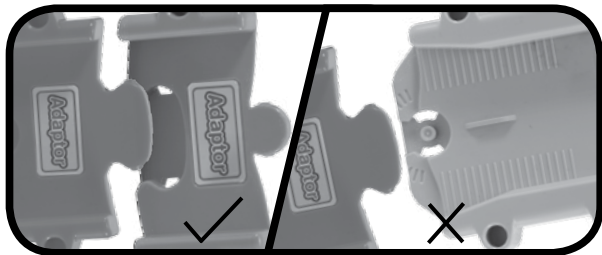

*** SmartPoint™ vehicles respond to SmartPoint™ locations with different phrases, music or fun sound effects. Each sold separately.**

WARNING:

All packing materials such as tape, plastic sheets, packaging locks, removable tags, cable ties and packaging screws are not part of this toy, and should be discarded for your child's safety.

NOTE:

1. Please keep user's manual as it contains important information.
2. The Track Set includes adaptors that allow connection with standard Toot-Toot Drivers tracks. The tracks are not compatible with snap tracks. Adult assembly required.

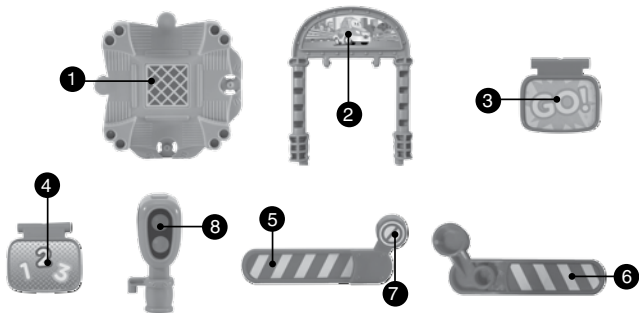

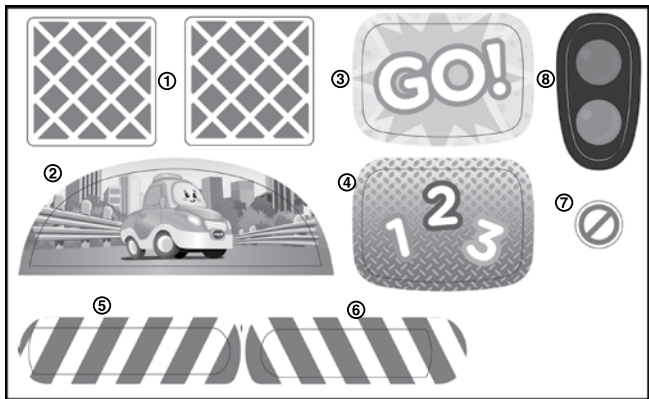

With the VTech® Toot-Toot Drivers® Track Set, safety comes first. To ensure your child's safety, adult assembly is required.

3. If using a VTech Motorised Train in Motor Mode on the Toot-Toot Drivers® Track Set the train will not be able to pass round some of the bends. It is recommended to play with the VTech Motorised Train in Non-Motor Mode. (Motorised Train not included).

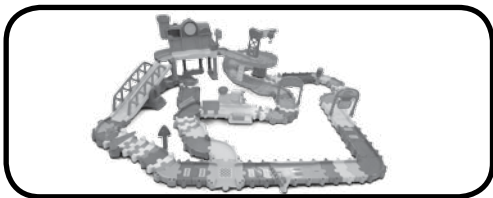

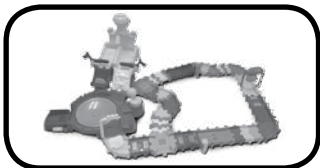

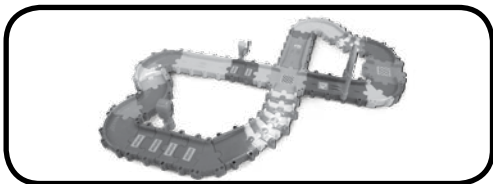

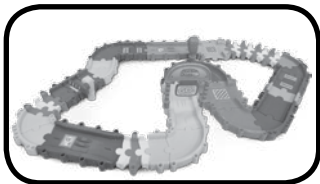

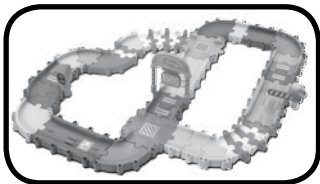

LABEL APPLICATION

Please stick the labels to the play set securely as indicated on the following pages:

EXPAND & EXPLORE

Connect to other **Toot-Toot Drivers®** play sets (each sold separately) to expand them and inspire creativity.

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat source.
3. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

TROUBLESHOOTING

If the problem persists, please call our Consumer Services Department and a service representative will be happy to help you.

CONSUMER SERVICES

Creating and developing VTech products is accompanied by a responsibility that we at **VTech®** take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to call our Consumer Services Department with any problems and/or suggestions that you might have. A service representative will be happy to help you.
