

The diagram illustrates the features of the Anker Soundcore Liberty 3 Pro earbuds from three perspectives: top, side, and bottom views.

Top View:

- EN: LED Ring**
FR: Anneau LED (Points to the LED ring on the left side of the earbud)
- EN: AC Outlet**
FR: Prise CA (Points to the AC outlet on the right side of the earbud)

Side View:

- EN: 2x USB-C Cable**
FR: 2x Câble USB-C (Points to the USB-C port on the side of the earbud)
- EN: USB-C Port**
FR: Port USB-C (Points to the USB-C port on the side of the earbud)
- EN: USB-A Port**
FR: Port USB-A (Points to the USB-A port on the side of the earbud)

Bottom View:

- EN: On / Off Switch**
FR: Interrupteur Marche/Arrêt (Points to the On/Off switch on the bottom of the earbud)

The diagram illustrates the various uses of the Anker PowerCore 10000mAh power bank. It shows the power bank connected to a wall outlet, a car's cigarette lighter, and various USB devices like a laptop, smartphone, and tablet. The diagram also shows the power bank's status indicators and the 'On' button.

EN: Pull out the coiled USB-C cables to use them. Two laptops can be charged simultaneously with the two cables. To retract the cable, pull on it slightly and then let go.

FR: Sortez les câbles USB-C enroulés pour les utiliser. Deux ordinateurs portables peuvent être chargés simultanément avec les deux câbles. Pour rétracter le câble, tirez légèrement dessus, puis relâchez.

Note: The built-in USB module supports an input voltage of 100-240V~50/60Hz.

@AnkerOfficial
@Anker_JP

USB-C 1 et USB-C 2 sont des câbles rétractables.
Remarque : Le module USB intégré prend en charge une tension d'entrée de 100-240 V~50/60 Hz.

- Do not connect this product to an ungrounded outlet.
- Do not use with extension cords.
- Do not exceed electrical ratings.
- Use in dry locations and indoors only.
- Install this product away from heat-emitting appliances such as radiators.
- Keep children away from this product.
- If you want to clean the product, only use a dry cloth or brush.
- This product is not intended to be repaired by service personnel in case of failure or component defect (the product can be disposed of).

- Ne branchez pas ce produit à une prise non mise à la terre.
- N'utilisez pas ce produit avec des rallonges.
- Ne dépassez pas les caractéristiques électriques.
- Utilisez ce produit dans des endroits secs et à l'intérieur uniquement.
- Installez ce produit loin des appareils émettant de la chaleur tels que les radiateurs.
- Tenez les enfants éloignés de ce produit.
- Si vous souhaitez nettoyer le produit, utilisez uniquement une brosse ou un chiffon sec.
- Ce produit n'est pas destiné à être réparé par le personnel de service en cas de panne ou de défaut d'un composant (le produit peut être mis au rebut).

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The following importer is the responsible party (for FCC matters only).
Company Name: Fantasia Trading LLC

Address: 5350 Ontario Mills Pkwy, Suite 100, Ontario, CA 91764
Telephone: +1 800 988 7973

This device complies with Industry Canada license - ICES-003. Operation is subject to the following two conditions: (1) This device may not cause interference, and (2) This device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.
