

QCY AilyBuds Pro+ Semi-in-Ear ANC Earbuds

Download the QCY App to experience the full range of features such as ambient sound modes, EQ tuning, firmware updates, and more.

Overview

Note: The images in this manual are for reference only and may vary from the actual product. Please refer to the actual product for accuracy.

Bluetooth Pairing

Initial Pairing:

1. Take out both earbuds, peel off the isolation film from each, and place them back into the charging case. Close the lid to activate the new device.
2. Retrieve both earbuds again. Refresh your phone's Bluetooth devices, pair with QCY AilyBuds Pro+, and complete the setup.
*Opening the charging case turns on the earbuds. If not, try again after charging.

One-Click Device Switching: (This step switches from Device A to Device B.)

Open the lid, keep both earbuds in the charging case, and press the case button for about 3 seconds. The earbuds will flash red once. Search for them on the device and click to connect.

*The earbuds support connecting to two devices simultaneously. (Enable in the QCY APP settings)

Multi-Device Connection

Steps for Multi-Device Connection: (Enable in the QCY APP settings)

1. Power on the earbuds to initiate pairing. After connecting to Device A, turn off Bluetooth on the phone. The earbuds will enter pairing mode again.
2. Enable Bluetooth on Device B and select "QCY AilyBuds Pro+" for pairing.
3. On Device A, turn on Bluetooth and click the paired earbuds' name. Successful pairing means the earbuds are now connected to both devices simultaneously.
(Note: The one-drag-two function and LDAC audio decoding format cannot be enabled simultaneously.)

Factory Reset

Clearing Pairing Records (Use in case of connection issues)
Place the earbuds in the charging case, open the lid, and press the charging case button for 10 seconds. The earbuds will flash red 5 times, indicating the reset is complete after the blinking stops.
* After the factory reset, follow the initial pairing method to connect for normal usage.

Functions

- 🔊 Power On: Open the charging case (earbuds inside) or, if the earbuds are outside the case, long-press the touch panel for 1.5 seconds.
- 🔋 Power Off: Place the earbuds into the charging case and close the lid.
- 📞 Answer/End Call: Double-tap the touch panel.
- 📞 Reject Call: Long-press the touch panel for 1.5 seconds.
- ⏸ Play/Pause: Double-tap the touch panel.
- 🔊 Next Track: Triple-tap the right ear touch panel.
- 🗣 Voice Assistant: Triple-tap the left ear touch panel.
- 🔊 Low Latency: Long-press the left ear touch panel.
- 🔊 ANC Mode: Long-press the right ear touch panel to toggle the Adaptive ANC switch.

Warranty

Your QCY product purchase is covered by a one-year limited manufacturer warranty from the date of delivery. Please ensure you retain your purchase receipt. If any defects occur due to quality issues within the warranty period, kindly bring both the warranty card and the purchase receipt to the authorized dealer for complimentary replacement services.

Comments:

The manufacturer's warranty is void under the following circumstances but not limited to:

- Improper or inadequate maintenance or modification.
- Accident, misuse, abuse, contamination, or other external causes.
- The use of unspecified adapter and accessories.
- Malfunctions or damages resulting from natural disasters, earthquakes, lightning, abnormal voltage, or environmental factors.
- Damages that occur as a result of one's failure to follow the instructions.

FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
--Reorient or relocate the receiving antenna.
--Increase the separation between the equipment and receiver.
--Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
--Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

User Guide

1. Properly wear the earbuds on both the left and right sides. After wearing them, you can make slight adjustments by rotating to find a personally comfortable and secure position.
2. Ensure the microphone opening is facing downward towards the mouth.
3. Incorrect earbuds placement may affect both calls and hearing to varying degrees.
* If the fit is not snug enough, the ANC noise cancellation effectiveness may decrease. Try adjusting the wearing angle and direction before reactivating the adaptive noise cancellation mode.

Earbuds Charging

While charging, the red light stays on and turns off when fully charged.

Charging Case Charging

During charging: The red light stays on.
Fully charged: The white light stays on.

Charging Case Battery Status

Sufficient battery: When the charging case is opened, the white light will stay on for 5 seconds before turning off.
Low battery: When the charging case is opened, the red light will stay on for 5 seconds before turning off.
Insufficient battery: When the charging case has insufficient battery, the red light will quickly flash three times before turning off.
